

# Referral Plan

A progressive ranking system that rewards the growth and depth of your distribution network

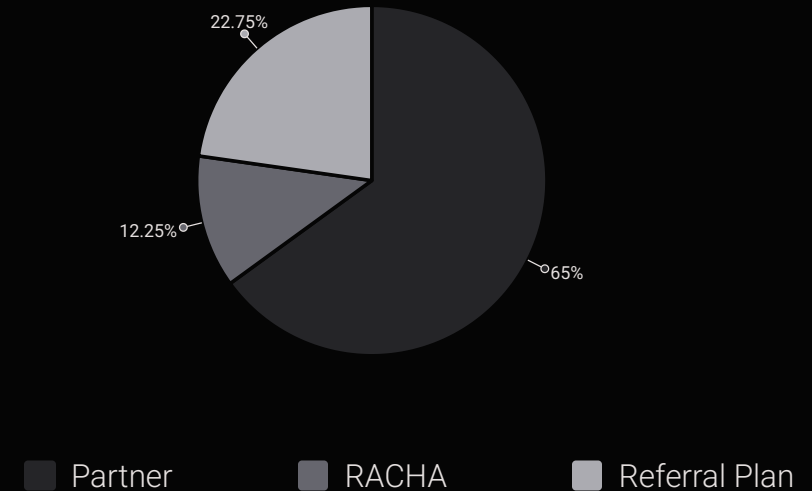

# Rank Dynamics and Benefit Distribution

## Rank Progress by RVs

In our plan, your ranks are **automatically locked and unlocked** based on the total RVs value in your distribution network. As your team grows and accumulates more RVs, you will ascend to new ranks, unlocking greater benefits and commissions. This progressive system rewards collective effort and the depth of your network.

Maintaining and increasing RVs is key to securing your position and accessing the most exclusive rewards.

## Global Benefit Distribution

This chart shows the distribution of 100% of the benefits generated in the system, ensuring clear and equitable remuneration for all participants.
