RACHA'S PROMISE

STOP WAITING FOR LUCK. START BUILDING YOUR SUCCESS.

I know what you're looking for: more freedom, more income, more impact. Above all, you're looking for a clear and proven path to achieve it. That's exactly what we've created: a fair, transparent and simple system that rewards your vision and commitment. Here, success doesn't depend on luck. It depends on your decision to grow and your ability to share, using the oldest form of marketing there is: recommendation.

The more you share, the more you move forward and the more you receive.

This System, combined with our exceptional product, is probably the best opportunity available right now.

And you play a key role in making it work.

Take full advantage of it.

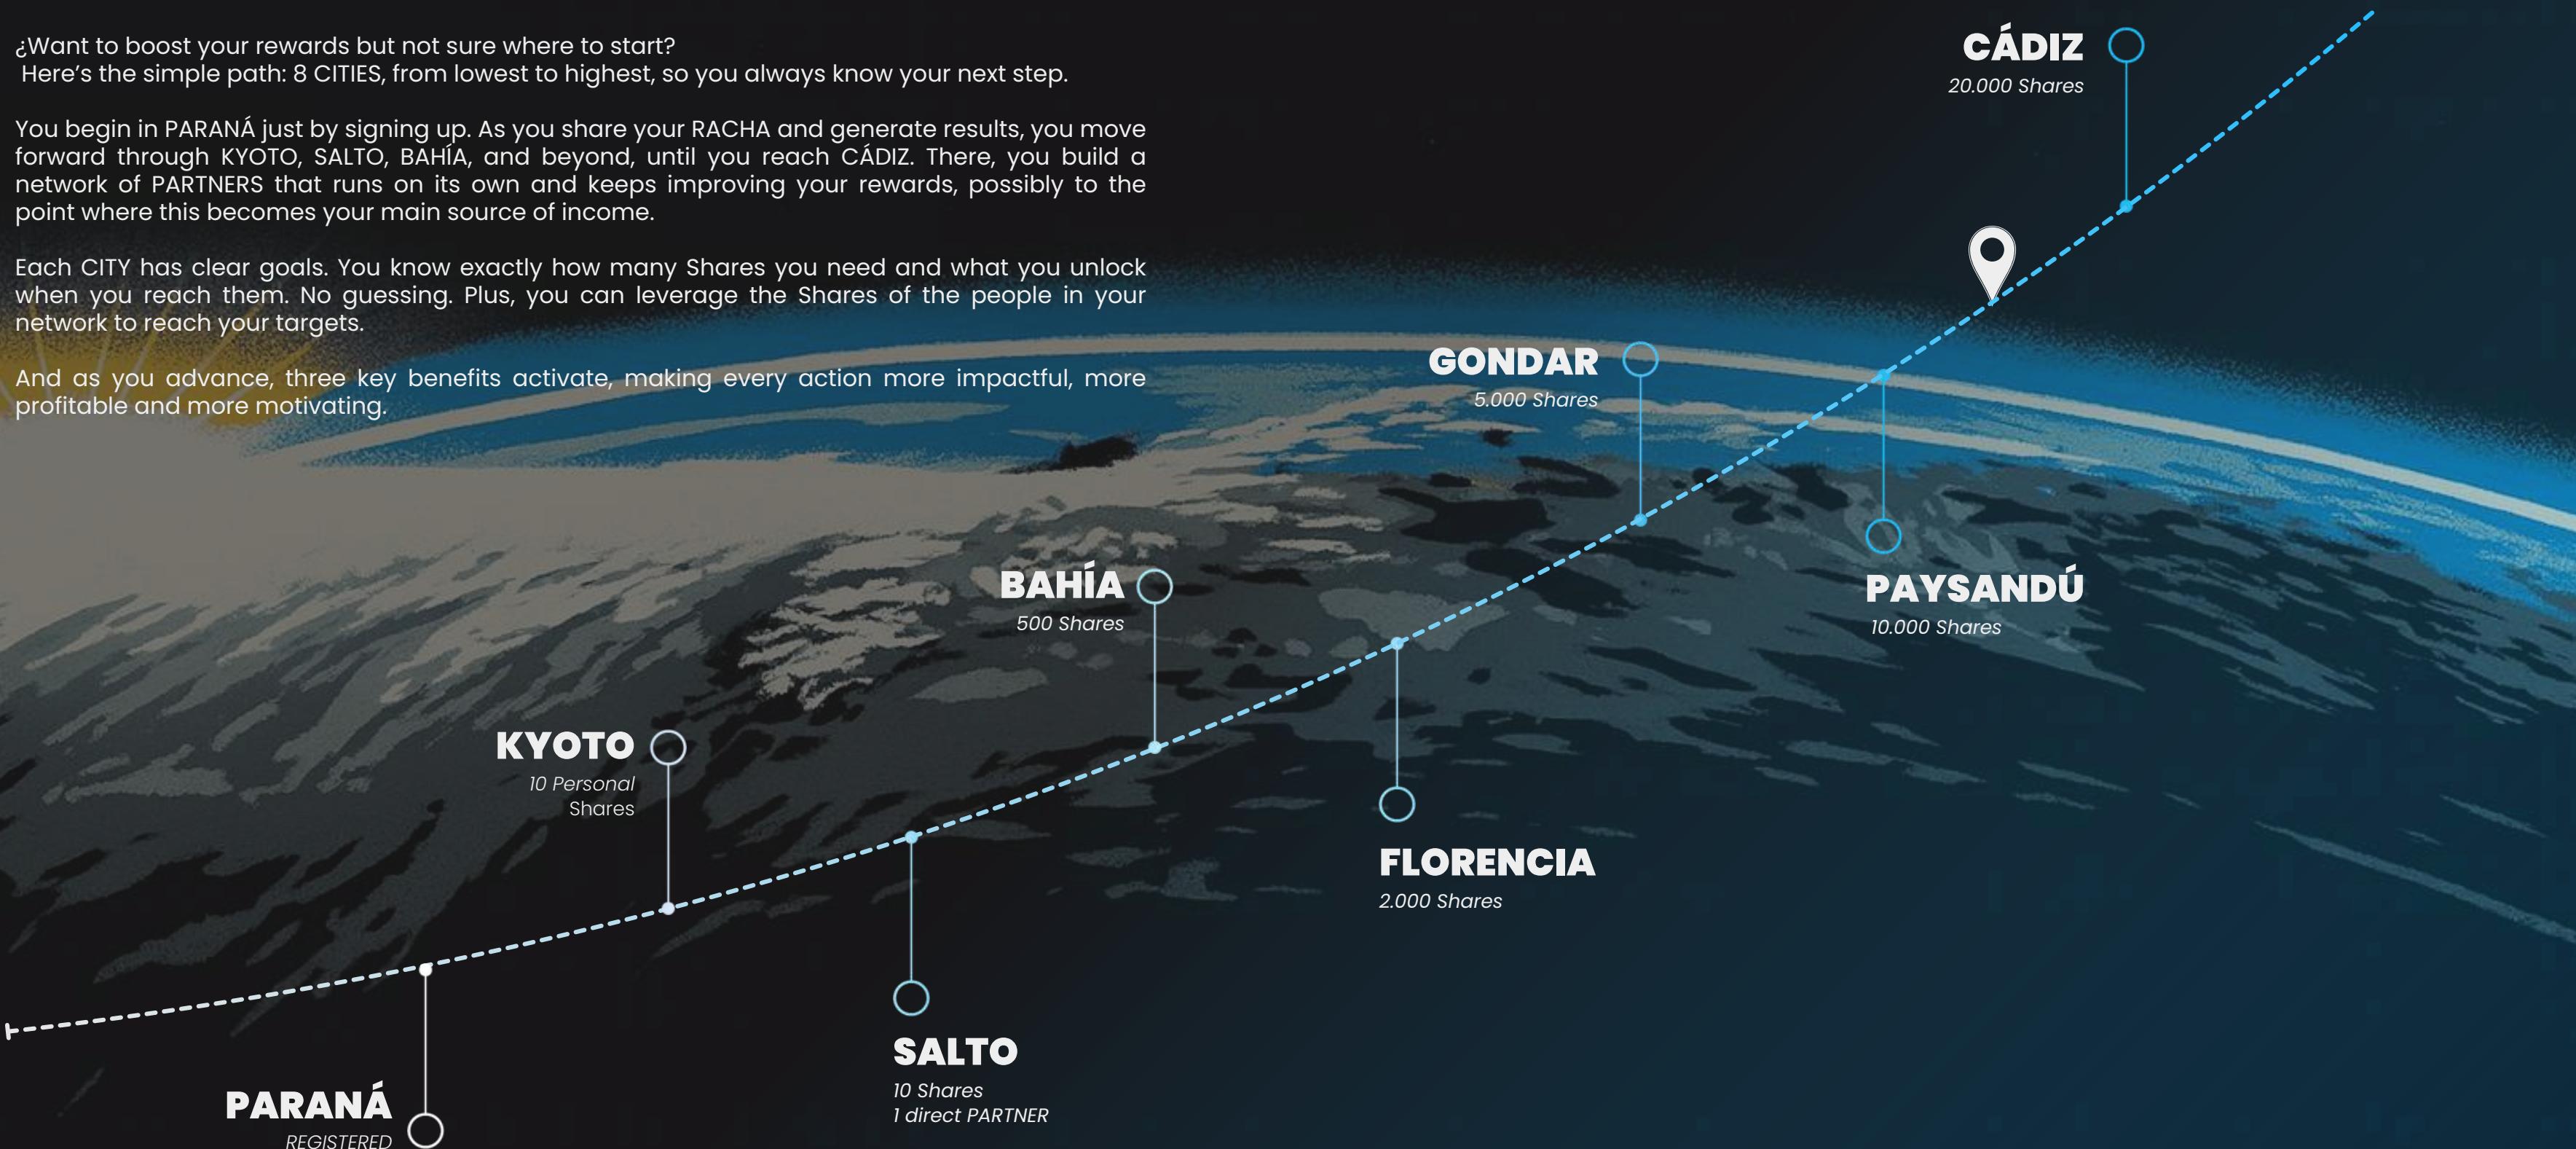

EVERY CITY IS A NEW LEVEL

Want to boost your rewards but not sure where to start?
Here's the simple path: 8 CITIES, from lowest to highest, so you always know your next step.

You begin in PARANÁ just by signing up. As you share your RACHA and generate results, you move forward through KYOTO, SALTO, BAHÍA, and beyond, until you reach CÁDIZ. There, you build a network of PARTNERS that runs on its own and keeps improving your rewards, possibly to the point where this becomes your main source of income.

Each CITY has clear goals. You know exactly how many Shares you need and what you unlock when you reach them. No guessing. Plus, you can leverage the Shares of the people in your network to reach your targets.

And as you advance, three key benefits activate, making every action more impactful, more profitable and more motivating.

HOW DO I MOVE UP TO THE NEXT CITY

Shares are also used to determine your status as a Partner, which is linked to each CITY.

In your Dashboard, you'll find an Affiliate Link that you can use to invite others to join RACHA.

When you invite someone to RACHA and they buy shares, that person becomes your direct Partner, opening a new line in your network. At the same time, each Partner in your network can also invite others and build their own network using their Affiliate Link.

All your shares, as well as those of your entire network, count.

None of your TEAMS will contribute more than 40% of the required shares on their own to move up to the next CITY.

KYOTO YOU'RE NOW A PARTNER.

Reaching KYOTO means you're no longer just watching from the outside. You've bought your first 10 shares. You're in. You've activated your account with the minimum action required to earn the title of RACHA Partner.

You're now part of the ALL IN Pool, RACHA's collaborative rewards system. Every move matters. And your RACHA has officially started being tracked.

You've taken the step that sets everything else in motion. You're in. From here on, every share, whether it's yours or shared, will move you from one CITY to the next.

This first step marks the beginning of your RACHA, and with it, your first reward: the Conecta100 Cards.

CONECTA100 SHARES PRODUCT THROUGH RESULTS

At RACHA, we believe in the oldest form of marketing there is: recommendation. You share because you trust and enjoy the product, simple as that. And when you do it well, we reward you the way you deserve.

That's where the Conecta100 Shares come from. They're part of our approach to enhance the conditions of a product you already liked, while validating something even more valuable — that you actually use what you share. And that... shows.

How do they work? Very simple:

Step	Action	Result
1	Your direct Partners buy 100 shares <small>(These shares are cumulative across all your direct Partners)</small>	You receive 1 Conecta100 Share
2	The count resets → Another 100 shares from your direct Partners	You receive another Conecta100 Share
3	Repeat as many times as you like	No limit to the number of Conecta100 Shares.

BAHÍA

WHERE YOUR RACHA STARTS TO GROW

In BAHÍA, you've reached 500 shares. That means you've already built something meaningful. But here, it's not just about getting there—it's about being recognized and rewarded for leading.

In this CITY, you activate both the Business Bonus and the Team Bonus: a system that pays you a percentage of EVERYTHING generated from you and beyond. From now on, every time a Partner in your network earns rewards, so do you.

In BAHÍA, you start receiving 10% of the rewards generated by ALL the Partners in your network. Additionally, you receive 20% of the Business Bonus generated by the first BAHÍA or higher (BAHÍA+) in each of your lines.

BUSINESS BONUS

If your goal is for RACHA to help you enhance your rewards by leveraging the time and money of others.

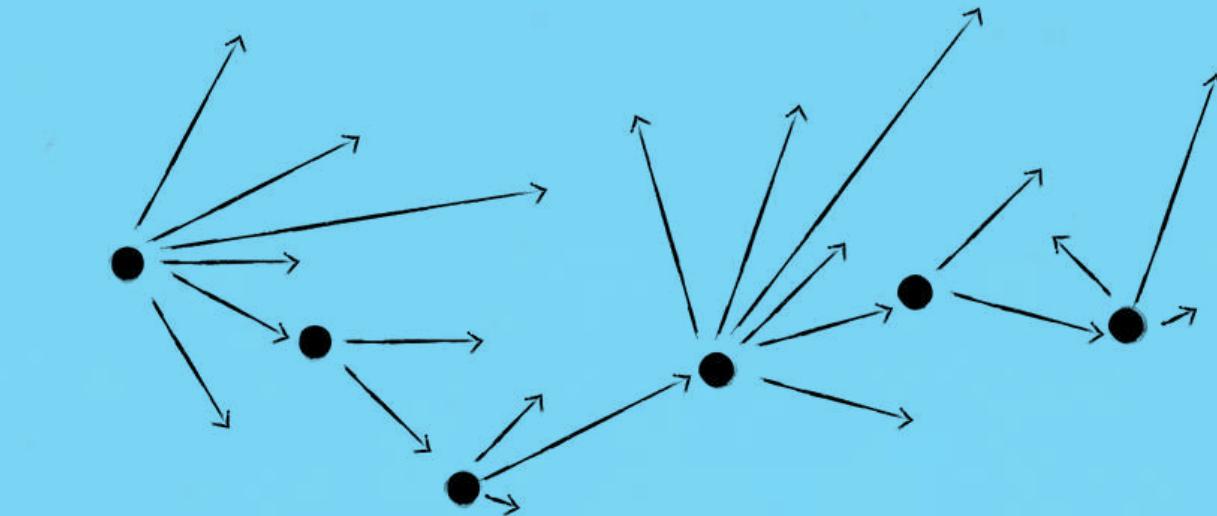

Time is gold. But well-shared time... is wealth.

When you reach BAHÍA, you activate the BUSINESS BONUS: a booster that turns your leadership into passive income, further enhancing your product's results.

From that moment, you earn a percentage of all the rewards generated by ALL the PARTNERS in your network.

CITY	BONUS
BAHÍA	→ 10%
FLORENCIA	→ 15%
GONDAR	→ 20%
PAYSANDÚ	→ 25%
CÁDIZ	→ 30%

- You activate a % based on your CITY.
- If someone in your network advances to a higher CITY, their percentage is "respected," and you earn the difference from them onward.

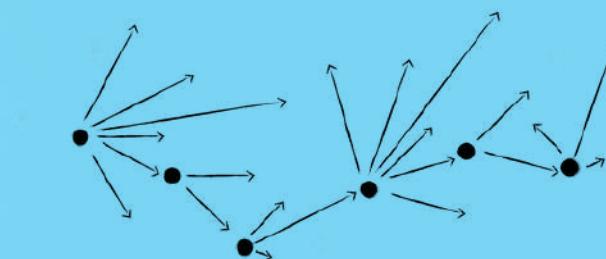

- ✓ Each CITY you advance increases your Bonus by an additional 5%.
- ✓ The Bonus applies to ALL the people in your network.
- ✓ Each time you bring in a direct PARTNER, you continue accumulating benefits without losing those you already had.
- ✓ You can leverage the development of your ENTIRE network.

The percentages are gradual, not cumulative.

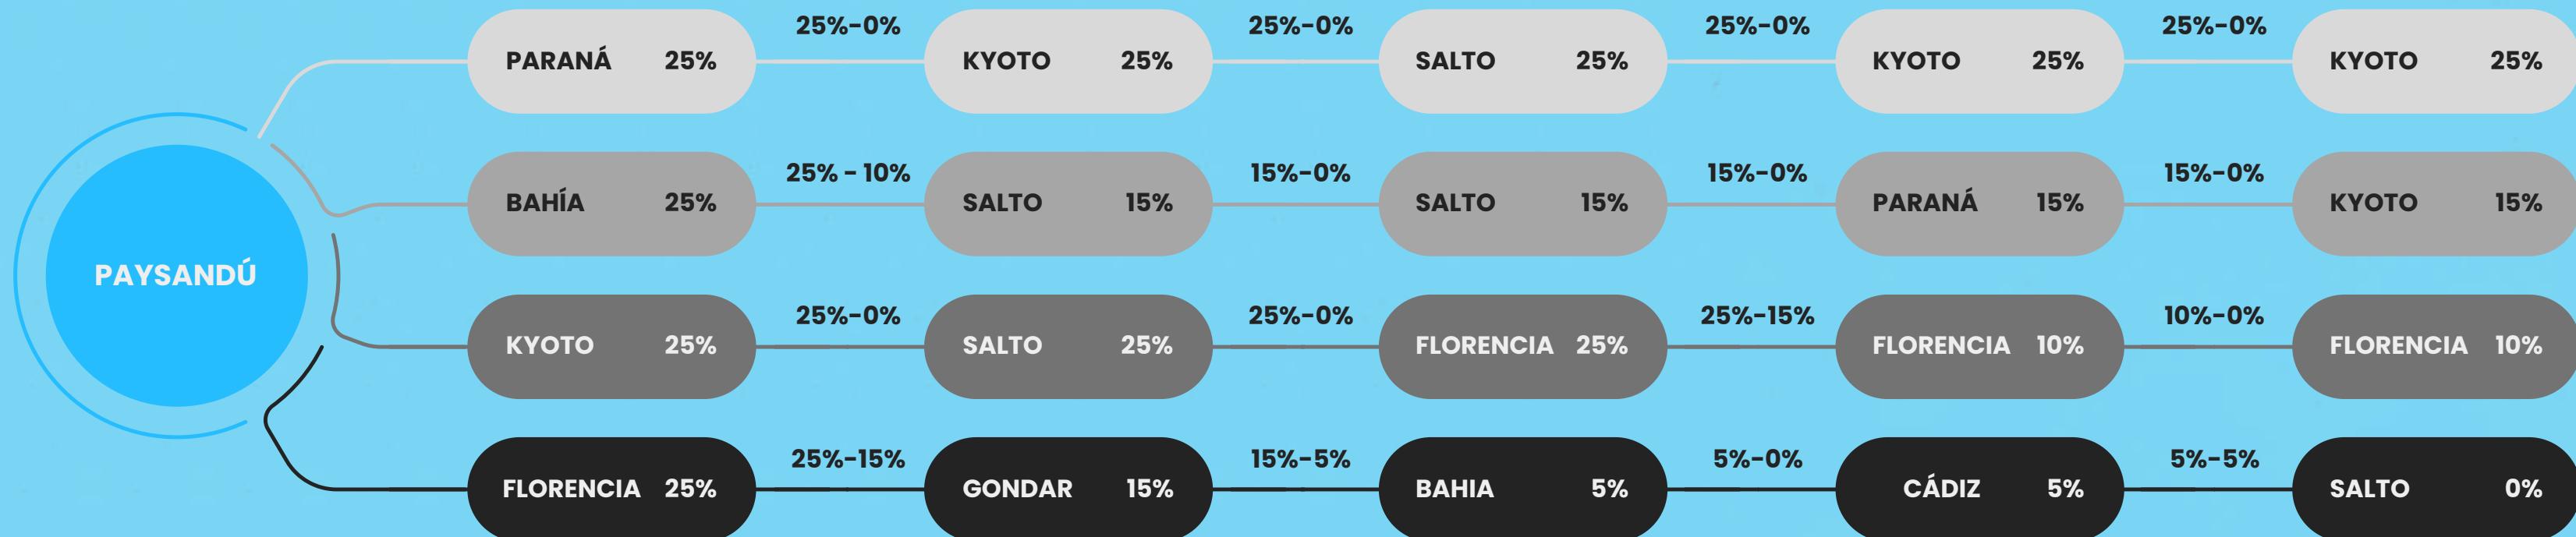

RACHA

BUSINESS BONUS (EXAMPLES)

These simple examples perfectly demonstrate how shared rewards work. Your goal will always be to advance and help others advance, generating increasingly greater benefits.

CITY	BONUS
BAHÍA	→ 10%
FLORENCIA	→ 15%
GONDAR	→ 20%
PAYSANDÚ	→ 25%
CÁDIZ	→ 30%

Line 1

Since there's no one in BAHÍA or beyond (BAHÍA+), you will receive your percentage as PAYSANDÚ (25%) across the entire line.

Line 2

You find someone who is in BAHÍA+. You receive the percentage you had before (25%) from them, and from the following ones, you'll receive the difference.

Line 3

If after finding someone in BAHÍA+ you come across someone from the same CITY or earlier, the difference does not apply to you; it applies to the previous one.

Line 4

You find a BAHÍA+, you apply the difference; if the next one is from a CITY beyond the one you just found, you only subtract the remaining difference. If someone is at or beyond your CITY, you will not receive rewards from the continuation of that line, but you will still receive rewards from them if you already were.

RACHA

Make your network grow

Starting from BAHÍA, you activate your Team Bonus. What does this mean?

You will receive an additional percentage of the Business Bonus rewards from up to the first 5 PARTNERS who are BAHÍA+ in each line of your network. The further you advance... the deeper your reach.

- In BAHÍA: You win 20% of the 1°
- In FLORENCIA: You add 10% of the 2°
- In GONDAR: You add 10% of the 3°
- In PAYSANDÚ: You add 10 % of the 4°
- In CÁDIZ: You add 10 % of the 5°

CITY	1° BAHÍA+	2° BAHÍA+	3r BAHÍA+	4° BAHÍA+	5° BAHÍA+
BAHÍA	20%	-	-	-	-
FLORENCIA	20%	10%	-	-	-
GONDAR	20%	10%	10%	-	-
PAYSANDÚ	20%	10%	10%	10%	-
CÁDIZ	20%	10%	10%	10%	10%

TEAM BONUS

If your goal is for RACHA to enable you to **sustain yourself by generating impact and expanding your presence.**

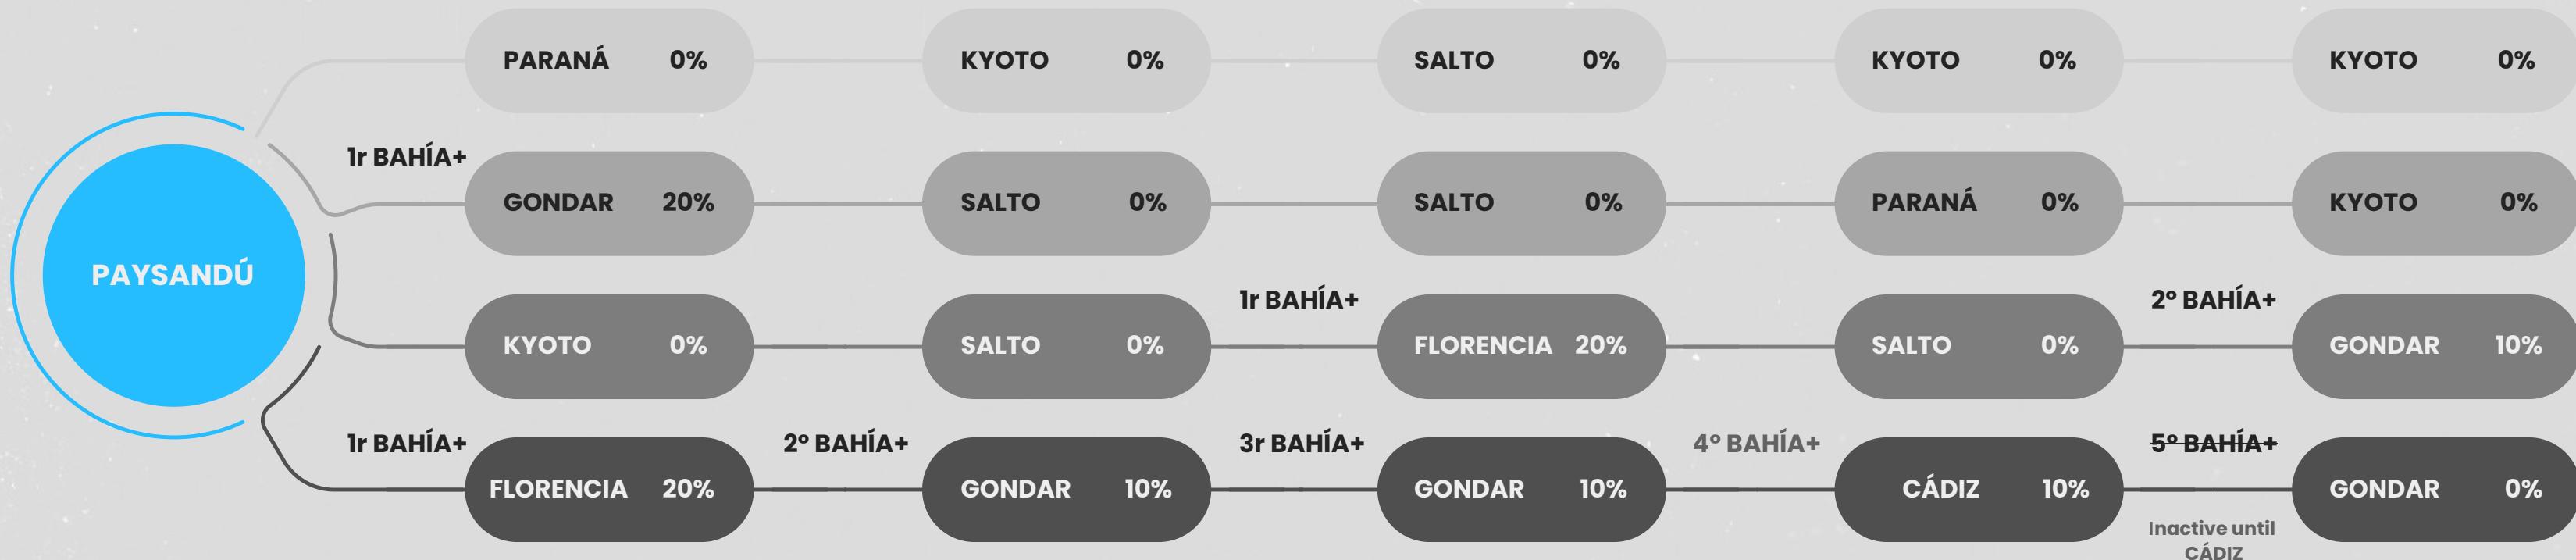

RACHA

TEAM BONUS EXAMPLES

This simple example clearly shows how the rewards generated by the most advanced PARTNERS in each of your lines are shared. Your goal will always be to climb higher and help others rise, creating ever-greater benefits.

CITY	1º BAHÍA+	2º BAHÍA+	3º BAHÍA+	4º BAHÍA+	5º BAHÍA+
BAHÍA	20%	-	-	-	-
FLORENCIA	20%	10%	-	-	-
GONDAR	20%	10%	10%	-	-
PAYSANDÚ	20%	10%	10%	10%	-
CÁDIZ	20%	10%	10%	10%	10%

Line 1

Since there's no one in BAHÍA or beyond (BAHÍA+), you don't receive any percentage of the Team Bonus from any PARTNER in your network.

Line 2

You find a PARTNER who is in BAHÍA+. You receive the percentage as the closest 1st level in that line of your network — always 20% from the first one you encounter.

Line 3

There are some PARTNERS who are not in BAHÍA+, until you finally find one who is. You get 20% of the rewards they generate for being in that CITY. The next one isn't in BAHÍA+, and then you find another who is. Being the second, you receive 10% of what they generate.

Line 4

You know how it goes. You've found the 1st, 2nd, and 3rd BAHÍA+, even the 4th, but since you're in PAYSANDÚ, the 5th it's not available to you yet.

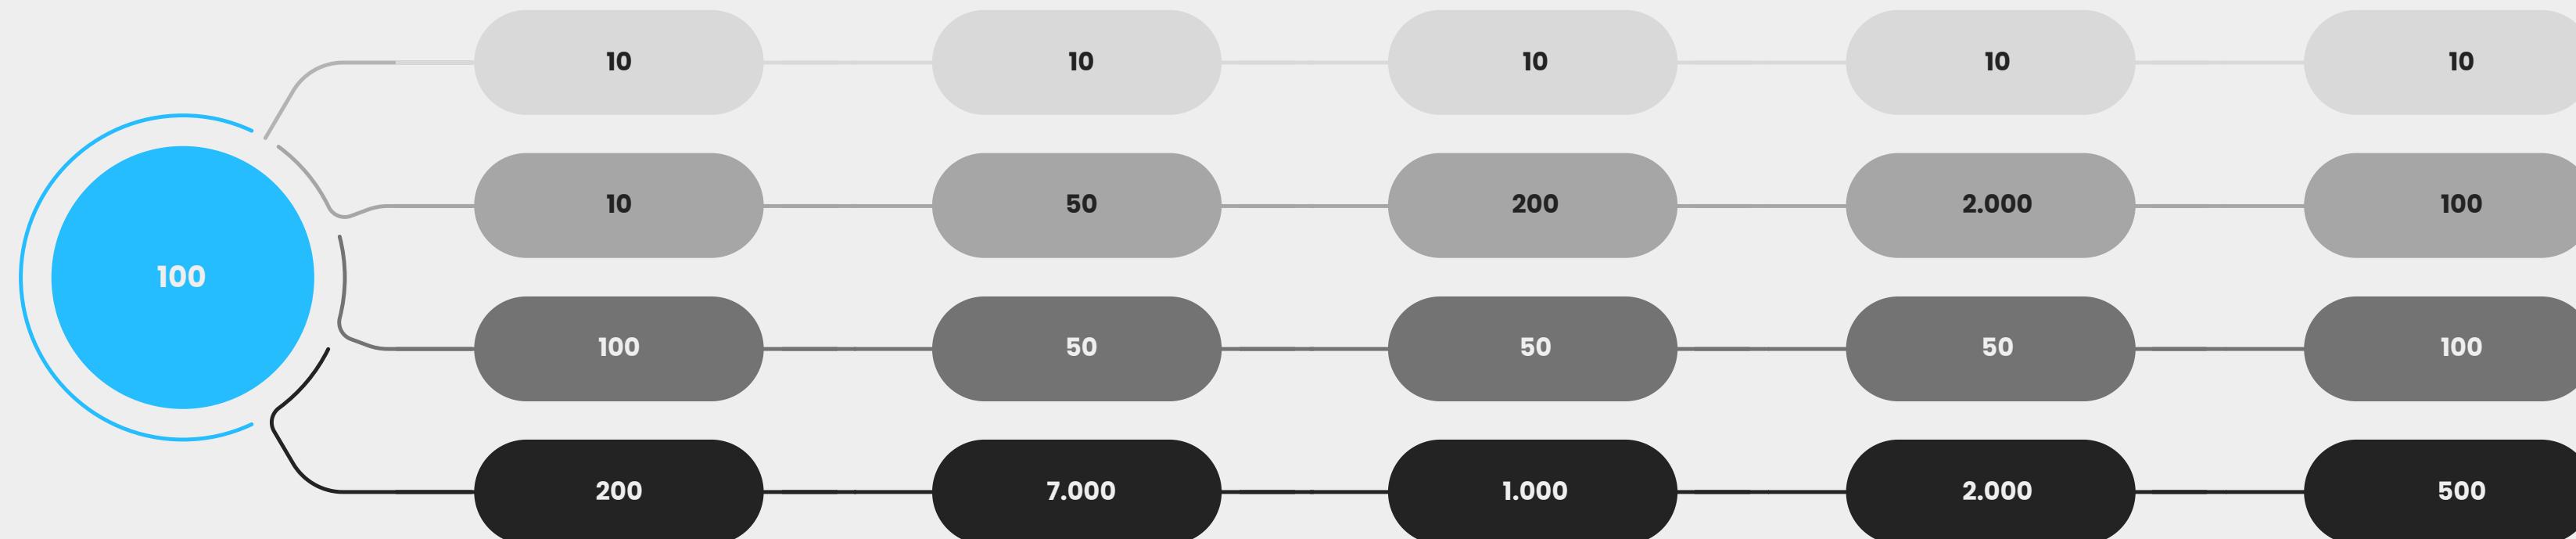

RACHA

The 40 % rule:

One line only qualifies 40% of the Shares required for the CITY it targets.

Let's calculate the CITY based on the number of Shares

100 +

- Line 1 50 Shares
- Line 2 2.360 Shares
- Line 3 350 Shares
- Line 4 10.700 Shares

}

¿ **100 + 50 + 2.360 + 350 + 10.700 ? ¿ 13.560 ?**

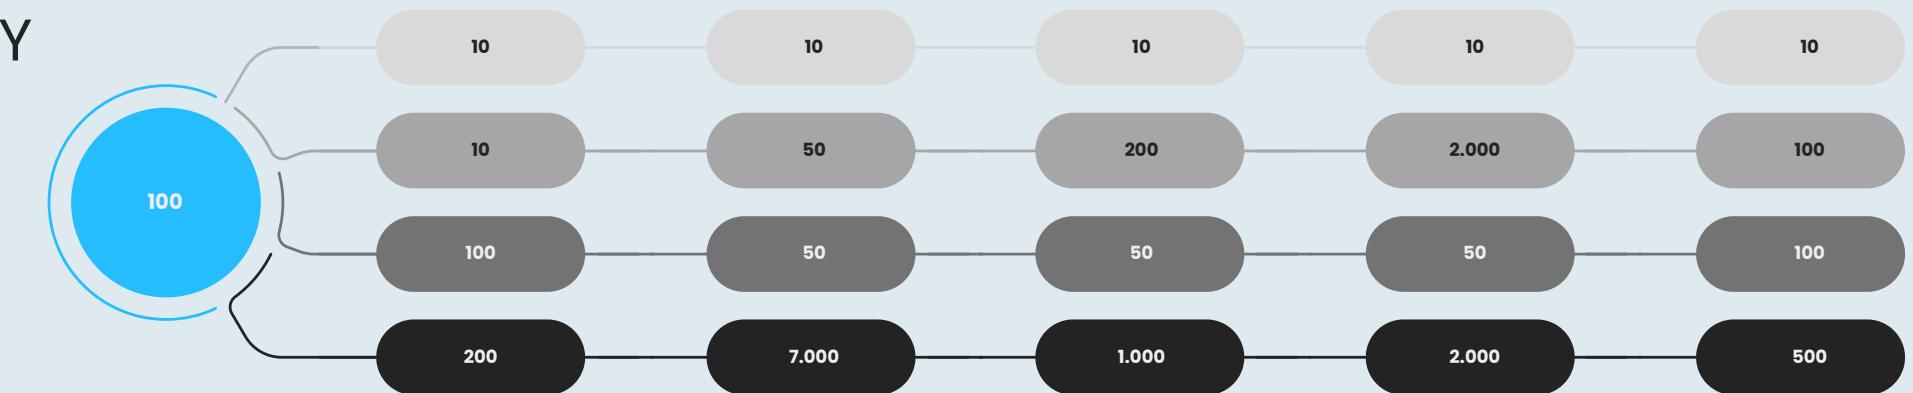

¿ PAYSANDÚ ?

The 40 % rule:

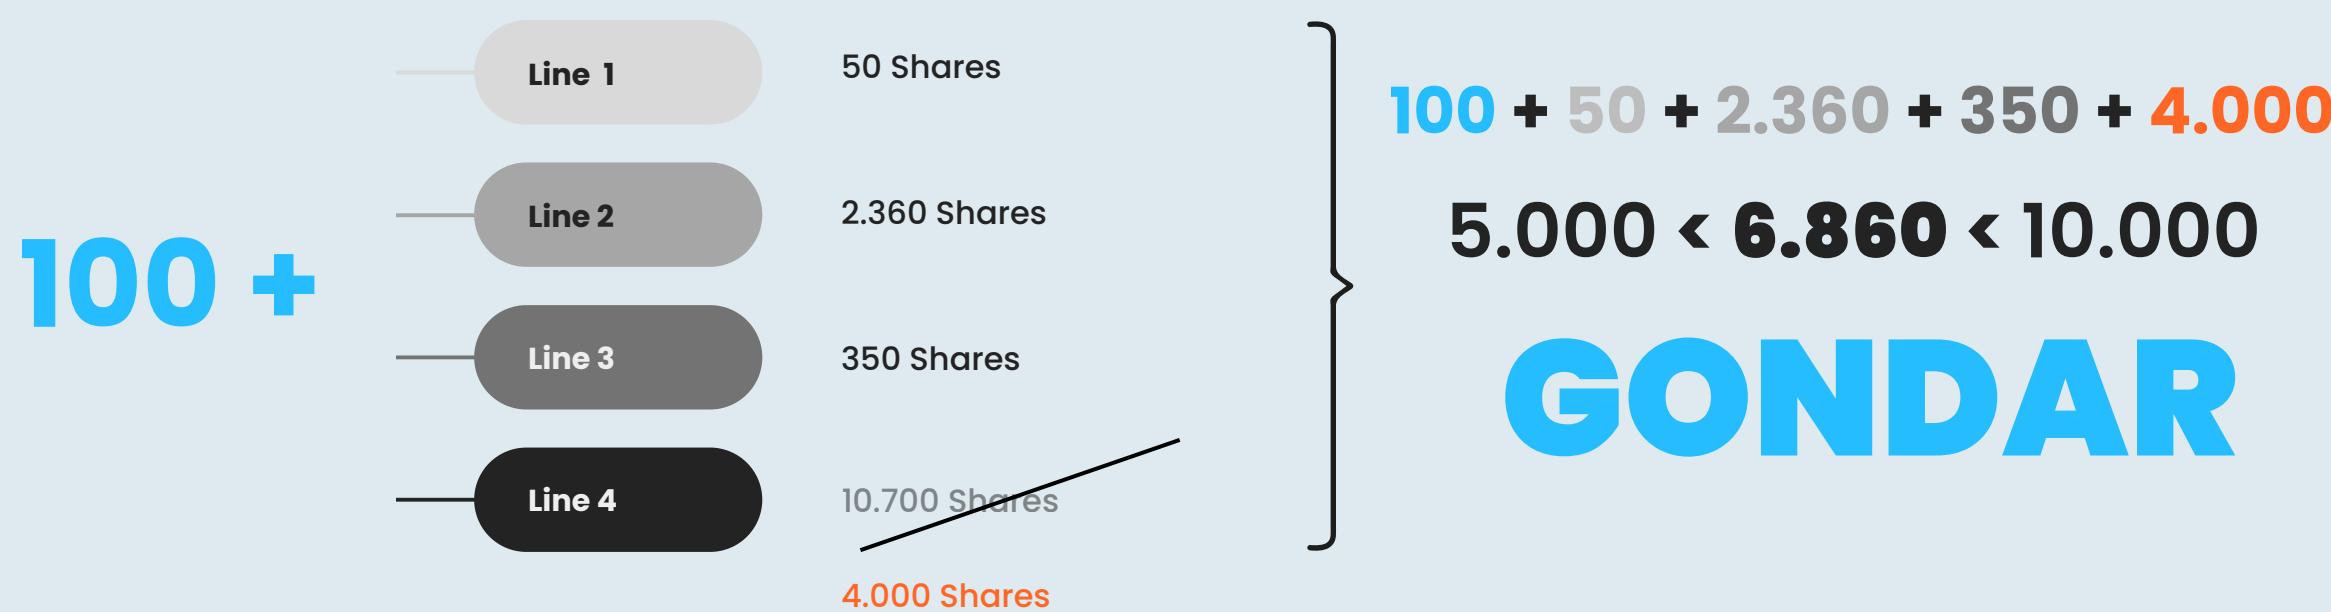

One line only qualifies 40% of the Shares required for the CITY it targets.

Step-by-step guide to correctly calculate your CITY

1. I'm aiming for a CITY: PAYSANDÚ → 10,000 Shares.
2. The 40% of 10.000 = 4.000.
3. No single line can count for more than 4.000 Shares.
4. If it exceeds 4,000 Shares, we cap it at 4,000.
5. Your purchased Shares ALWAYS count as 100%.

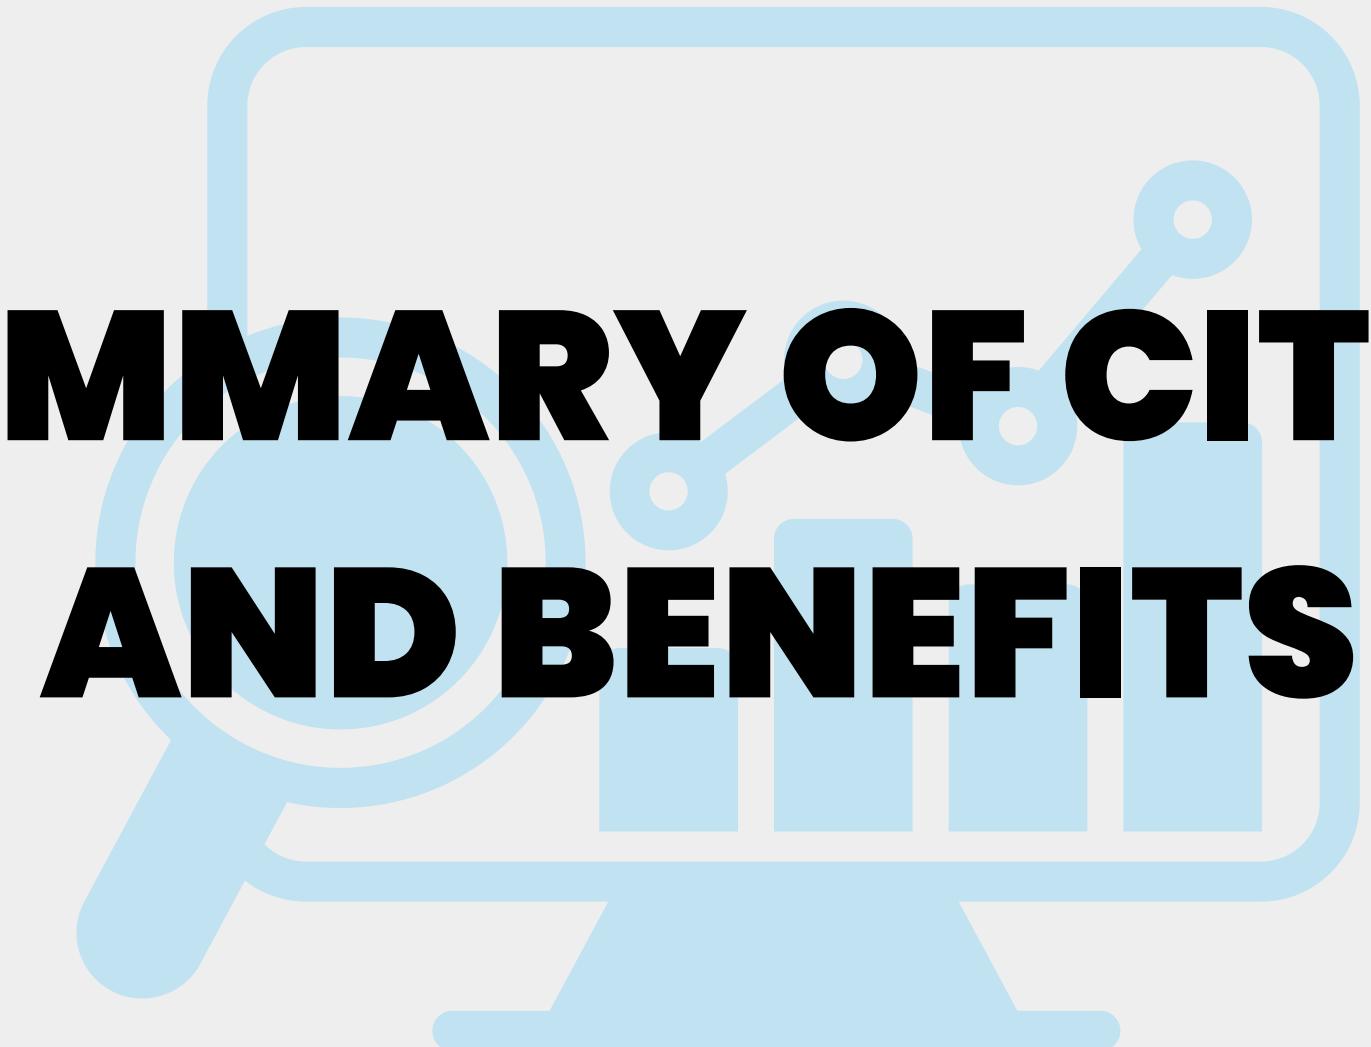

Probemos de nuevo

The RACHA system is designed to reward consistency and real work. To progress through the CITIES, no single line can contribute more than 40% of the total Participations required by the CITY. This is the way to make this plan meritocratic and sustainable.
